In the Matter of:

PURCHASED SEWAGE TREATMENT	)	
ADJUSTMENT OF WOOD CREEK	)	CASE NO.
WATER DISTRICT WASTEWATER	)	2001-00346
DIVISION	)	

O R D E R

On October 22, 2001, Wood Creek Water District Wastewater Division ( Wood Creek ) applied for approval to adjust its rates pursuant to KRS 278.015. On November 20, 2001, the Commission denied this request without prejudice due to the city of London s failure to comply with KRS 278.180(1). After additional information was filed by the city of London ( London ), the Commission determined that it had met all filing requirements and that its proposed increase to Wood Creek was approved for service rendered on and after August 1, 2002. In lieu of filing a new application, Wood Creek has requested that the Commission reopen this case. The request is reasonable and should be granted.

The Commission, having reviewed the record and being sufficiently advised, finds that:

1. Wood Creek purchases sewage treatment services from London.
2. London notified Wood Creek that effective with its August 1, 2002 billing its wholesale sewer rate would increase from \$1.13 per 1,000 gallons to \$2.48 per 1,000 gallons, an increase of \$1.35 per 1,000 gallons.

3. London s billing to Wood Creek is based on a 3-inch sewage meter and a 10-inch sewage meter.

4. Wood Creek proposes to pass this wholesale increase in sewer rates to its customers for bills rendered on and after August 1, 2002.

5. Based on an average monthly usage of 5,000 gallons, the average bill of Wood Creek s customers will increase \$6.75 from \$18.05 to \$24.80 or 37.4 percent.

6. The sewer rate adjustment of \$1.35 per 1,000 gallons is fair, just, and reasonable and should be approved.

IT IS THEREFORE ORDERED that:

1. The sewer rate adjustment of \$1.35 per 1,000 gallons and the rates in Appendix A, attached hereto and incorporated herein, are fair, just, and reasonable and are approved for services rendered on and after August 1, 2002.

2. Within 20 days of the date of this Order, Wood Creek shall file with the Commission revised tariff sheets showing the rates approved herein.

Done at Frankfort, Kentucky, this 17<sup>th</sup> day of July, 2002.
